Product End of Life Notification

==========

Product End of Life # S00001 V.6
Issue date：2011.12.29

SUBJECT：
KD/KDE/GM/PMD End of Life Announcement & transition to E/M/P series

Dear Valued Customers,

Sunon is pleased to announce E, M, and P series to replace KD, KDE, GM and PMD series. KD, KDE, GM and PMD products are not recommended for new designs; all new designs should start with E, M, and P series.
For detailed information, please refer to the “Replacement Guide” below.

Order Management：
To aid in this transition, Sunon will accept orders of KD/KDE/GM/PMD to maintain the existing customer production until December 31, 2011. No new orders shall be accepted afterwards
.

Please Note：
Customers must notify Sunon in writing within Two (2) months of receipt of this notification if they consider the discontinued product to be “Sole Source”. Sunon and the customer may negotiate an appropriate End-of-Life date.

For question or concerns regarding this notification, please don’t hesitate to contact your local Sunon contact window.

Update time:
We will update by every 6 months.

Part 3

The following models have no recommended replacements and no new orders will be accepted after 12/31/2011.

All orders placed before 12/31/2011 must ship prior to 3/31/2012

If the order demand is large, please discuss case by case
